### Game Instructions

Child tosses 3 bean bags at stacked blocks. Smaller children may stand closer, larger children farther back. If they knock down all the blocks they receive 5 piece of candy, 3 pieces if they knock down half, and 2 pieces if they don't knock any down.

### Game Information

This game is simply a bean bag toss, knock down the blocks, game. It is based on the Biblical theme of "Joshua and the City of Jericho". While you most likely won't be able to share the theme with every child, if the opportunity comes up, take advantage! If you get a group of kids, tell the theme to all of them at once, and then continue to play. All these kids need to hear the word of God and to learn that God loves them! Listed below are verses for you to read and memorize, a "how to" present the instructions for the game, and an example conversation you can have with a child to share the theme.

### Conversation Example

#### *Game Instructions to Child*

"Welcome to the city of Jericho! God told Joshua to take the city of Jericho and to knock the walls down, and it is your job to help. Take these three bean bags and with a loud shout, knock down the wall!"

#### *Sharing God's Word*

"Joshua obeyed God by doing all that He commanded him to do, and God gave him victory over the city of Jericho. God wants to help us through the hard times in our lives. We need to listen closely to what He wants us to do, and He will guide us into victory, too! You can learn about how you can be victorious in your life at the Gospel Castle."
